

PUBLIC REFORM INNOVATION SUSTAINABILITY AND MANAGEMENT

2025 - 2026

MOTIVE OF THE PRISM ?

PRISM 2025 (Public Reform, Innovation, Sustainability, and Management) is envisioned as a comprehensive platform for dialogue, innovation, and action toward societal transformation. The conference brings together students, NGOs, government bodies, industries, and academic institutions to deliberate on pressing issues across education, healthcare, technology, environment, and governance.

Its purpose is to promote reform and innovation, foster collaboration among diverse stakeholders, and bridge technical as well as non-technical approaches to problem-solving. PRISM 2025 aims to empower youth and civic organizations by offering them opportunities to present their initiatives, research, and ideas, while also encouraging open innovation and responsible citizenship. The motive lies in creating sustainable solutions through reform in policies and systems, driving innovation via sociothon, promoting eco-friendly practices, and strengthening effective management for public welfare.
